Dear Robert,

Heap Big Cheef wants to keep you up to date, so here is today's bulletin. I've just had a session with our friend Fred, who will be in contact with you relative to being brought up to date with all the back issues which I showed him while he was here. He is really interested in each issue, but I told him to send his inquiry to Box 151, for I don't want to get things mixed up at this point in the game. I was glad to meet him, but his sister was
